Setzer Properties Partners with YMCA of Central Kentucky for Back to School Rallies for Third Consecutive Year

Volunteers, including Brooks Setzer (pink jacket) and Savannah Setzer (blue jacket), assisting with the 2020 YMCA Back to School Rallies at the Woodhill Community Center.

Lexington, KY – For three consecutive years, Setzer Properties has served as the lead sponsor for the YMCA of Central Kentucky Neighborhood Back to School Rallies. As lead sponsor, Setzer Properties provides funding for the school supplies included within the backpacks.

“At Setzer Properties, we are always looking for ways to give back to the communities in which we live and work,” said Brett Setzer, Founder of Setzer Properties. *“Our company and our family are proud to support this community event that benefits families and children in Central Kentucky. This year especially, with so much uncertainty, we are happy to work with the YMCA and other community volunteers to make sure these kids and their families have the tools they need to successfully begin this next school year.”*

Each year, the YMCA of Central Kentucky, in partnership with Fayette County Public Schools, sponsors and community partners like Setzer Properties, hosts annual Neighborhood Back to School Rallies. The rallies provide elementary, middle and high school students with free backpacks and school supplies, with each neighborhood distributing supplies for all grade levels. The YMCA has coordinated this event since 2011, serving more than 42,00 children with the program. This year’s event took place Saturday, August 15, from 9 a.m. to 1 p.m. at eight locations throughout Lexington and Nicholasville.

The Setzer family participated in the backpack filling activities and were on hand at the Woodhill Community Center rally location to help distribute backpacks and supplies this past Saturday. Current COVID conditions required that this year’s event be pre-registered and was conducted by drive-thru pick up only.

Setzer Properties is a national real estate investment and development firm that has developed more than 6.5 million square feet of space for projects across 28 states totaling more than \$750 million in the past 30 years. Setzer Properties shares ownership with Brett Construction Company, which has nearly 35 years of commercial construction experience throughout the Commonwealth of Kentucky and the United States.
